

RIBA Norman Foster Travelling Scholarship 2024

Application Guidance Notes

Background

The RIBA Norman Foster Travelling Scholarship, generously supported by the Norman Foster Foundation, offers one travelling scholarship of £7,000 to a student of architecture to support international research on a topic and at locations of their choice.

The topic of the research should relate to the sustainable survival of our cities and fall under one of the following themes:

- Learning from the past to inform the future
- The future of society
- Density of settlements
- Use of resources
- Quality of urban life
- Transport

Travel should take place between July and October 2024.

Upon completion of the travel the student will be invited to present their research findings at the Norman Foster Foundation.

Eligibility

To be eligible, students must be enrolled in, and have successfully completed at least the first year of, a professional qualification in Architecture in one of the higher education institutions invited by the RIBA (see appendix A).

Each institution will be invited to nominate one individual student only per each annual application cycle of the scholarship. Applications from entries comprising two or more students will be considered ineligible and will not be included for judging.

Selection

The submissions for the 2024 RIBA Norman Foster Travelling Scholarship will be judged by a panel comprising:

- Lord Foster
- Muyiwa Oki, RIBA President
- One member of staff from the Norman Foster Foundation
- One judge invited by the Norman Foster Foundation
- One judge invited by the President of the RIBA

The judges will seek to award a student who demonstrates the potential for outstanding achievement and original thinking on issues relating to the survival and the future of cities. The successful applicant will be notified immediately after the judging takes place.

Applying

Each invited school can submit one nomination only for the scholarship from one of its current students.

To be eligible, applications must include:

- a completed application form signed by the student and by the Head of the School / Department of Architecture
- one A1 'poster' in PDF format detailing the proposal (topic, objective, locations) in no more than 500 words, and with high-resolution images. Please ensure that the name(s) of the nominee(s), their tutor(s), and the School of Architecture / University are NOT mentioned anywhere on the poster

Supporting materials are welcome in the form of MP3 or MP4 files. Although limits to the length of these files are not imposed, nominees should consider that the judges have limited time to examine them; as such, we recommend a maximum duration of 3 minutes per file.

The RIBA and the Norman Foster Foundation do not claim rights of ownership to the applications submitted for the RIBA Norman Foster Travelling Scholarship. By applying for the scholarship, the nominee(s) agree(s) to allow the RIBA and the Norman Foster Foundation to use, display and publish their entries in print and in digital publications for all purposes in relation to the RIBA Norman Foster Scholarship and associated non-commercial purposes.

Applications must be completed via Good Grants https://riba.grantplatform.com. The deadline for submissions is 15:00 (GMT) on Thursday 16 May 2024.

All information provided in the application form will be treated in the strictest confidence and in line with the RIBA Privacy Policy: www.architecture.com/about/privacy-policy.
