

**Gareth Maguire**

Name and Address of Practice: Studio MUA

Position/title: Chief Architect

Qualifications: BSc(Hons)Arch, BArch

Social Media:

---

**Election Statement**

As both a sole Practitioner and consulting Architect within a semi state body and having extensive experience in commercial practice I am well placed, with current experience to support the RIBA and our profession. I have chosen to become a specialist in ESG and building compliance in order to address some of the main current issues concerning our profession in recent years.

As an Architect in my mid-40s, midway through my career with over 20 years of professional experience, I am placed in a current and relevant position to add to and support the RIBA as Vice-President
