

RSAW Annual Conference

Thursday 2nd – Friday 3rd December 2021  
Thursday, 9.30 – 14.00 | Friday, 9.30 – 15.00

// REVOLUTION //  
// OR // EVOLUTION  
OF THE ARCHITECT

The RSAW 2021 Annual Conference will explore and set the scene in Wales, according to Architecture and the Built Environment in a rapidly changing world. Whether that be post Pandemic, post Brexit or climate change, are we the revolution for change or evolving to the world around us?

This year's conference will take place virtually between Thursday 2 and Friday 3 December. Hearing from industry experts on exemplar projects and case studies will enable delegates to take away first-hand experiences of issues and resolutions from building materials, conversations with clients and addressing climate targets, to ethical decision making and encouraging our future architects to consider their journey into the world of architecture in a rapidly changing world.

Our inspirational speakers this year are **Alun Jones, Piers Taylor and Georgie Grant.**
