# RSAW DESIGN WEEK 2022

HOSTED BY RSAW,  
BRANCHES AND SPECIAL  
INTEREST GROUPS IN  
LOCATIONS ACROSS  
WALES

# PROGRAMME

**RSAW Design Week returns this Autumn with an exciting programme of events and activities to celebrate architecture and design. We will be hosting a series of talks, tours, workshops and more in location across Wales. Registration is required for all events and activities.**

## **Designing for Education**

*Monday 3 October, 1pm - 3.30pm*

A review of the design and build process of the new Haverfordwest VC High School.

The Architects Atkins/design team will deliver a presentation covering the design process from inception to completion, followed by a tour of the new building.

Aimed at the next generation of Architects, the presentation should give an insight into the RIBA Stages and design process that an Architect works through.

## **RSAW Student Awards presentation**

*Tuesday 4 October, 6pm - 8pm*

Join us to celebrate the winners of the 2022 RSAW Student Awards from the Welsh School of Architecture and the University of Wales Trinity Saint David.

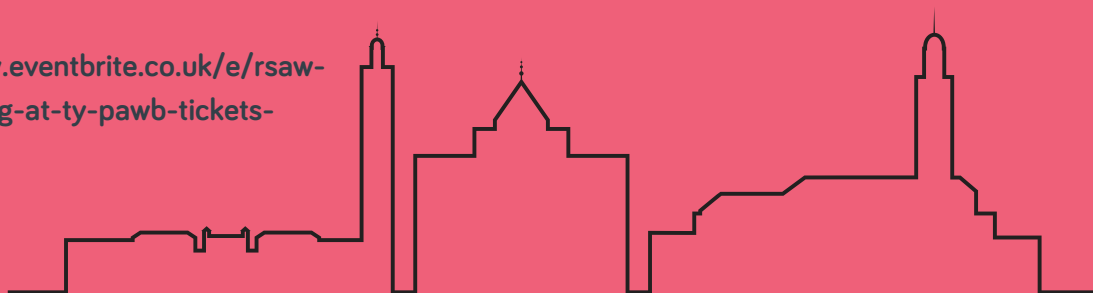

**To register your interest, please email [rsaw@riba.org](mailto:rsaw@riba.org)**

## **Be an Architect for a Day workshop**

*Wednesday 5 October, 10am - 4pm*

After a briefing on the history of architecture and modernism try your hand at producing architectural drawings and designing an eco-building in one day! The workshop will include team games involving the design of structures using spaghetti and marshmallows followed by a group design exercise to create a bus stop or a coffee pod. This will involve model making and simple drawing techniques.

# PROGRAMME

## Shaping the Game

*Friday 7 October, 3pm- 6pm*

As different sports have diversified and increased their appeal, existing facilities and stadia across the UK have struggled to keep up with changing audience and team demographics and remain truly inclusive. Design Circle are proud to host a panel discussion on how architects and designers can best use their skills to help local and national sporting organizations help build a game for everyone.

## Cardiff interchange walking tour

*Friday 7 October, 9am - 12pm*

Join Stephen Hill and Adam Wood from Holder Mathias Architects for a walking tour of the new Cardiff Transport Interchange.

**Limited places available. To secure your space book here:** <https://www.eventbrite.co.uk/e/rsaw-design-week-cardiff-interchange-walking-tour-tickets-406201799517>

## The great LEGO build

*Saturday 8 October, 10am - 2pm*

Join us in the LEGO store in Cardiff's St David's Shopping Centre for an opportunity to show off your ideas and contribute to building the best imaginary street. Open to all ages.

**To register your interest, please email [rsaw@riba.org](mailto:rsaw@riba.org)**

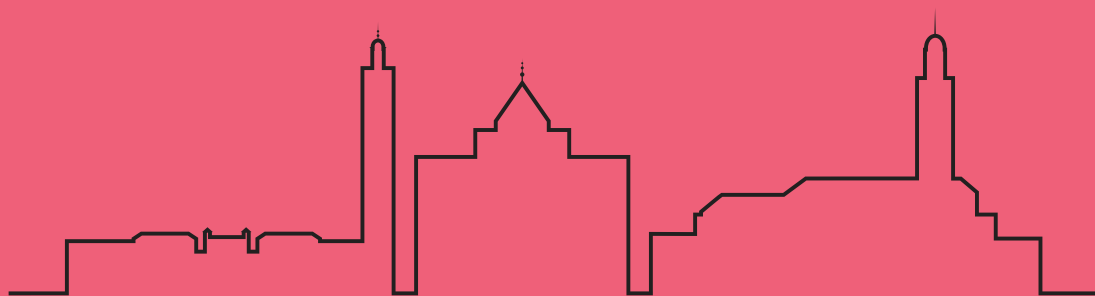

## Imagining my Town

*Entries close Friday 7 October at 5pm*

A design competition for kids and young people to imagine what they would like to see in their town. You simply sketch your idea on the back of one of the official postcards and submit. The idea can be anything, a new play area, a new community hall, a ski slope or even a huge tower!

The competition is open to children aged 6-18 and will be judged in separate age groups. The winning designs will be visualised using 3d modelling software and presented to the winners.

**To enter, please post your entry to the Royal Society of Architects in Wales, Studio 111, The Creative Quarter, Morgan Arcade, Cardiff CF10 1AF**
