

Corporate Patrons of Architecture

Welcome to the Royal Institute of British Architects

The support RIBA receives through our Corporate Programme allows us to achieve so much more than we could on our own. We are enormously grateful for your interest and commitment.

It is hard to imagine how we could achieve our purpose of championing better buildings, communities and the environment, through architecture and our members if it were not for the investment of energy, engagement and support from the business leaders who make themselves part of RIBA through our Corporate Programme.

Thank you for taking the time to look at the information on the following pages. I hope it will help you to decide which benefits of the Corporate Programme might best fit your company's profile, and then to become part of the group of remarkable businesses that are already enjoying the best that RIBA has to offer.

I look forward to welcoming you.

Chief Executive

Be part of our ever changing programme

Every year RIBA welcomes many thousands of visitors to our central London headquarters. Our galleries play host to three major exhibitions annually, while our acclaimed 'Late Tuesdays' events offer an ever-evolving programme of architect talks, film screenings and building tours throughout the year. Our innovative educational and thought-leadership programmes, together with our internationally renowned prizes and awards, ensure that RIBA remains a dynamic champion at the heart of the world of architecture and the built environment.

We invite you to join a group that includes the most distinguished, exciting and vital business in the world.

As part of the Corporate Programme of RIBA, your company will have the privileged opportunity to become a part of this unrivalled celebration of the best of architecture, past, present and future. Our aim is to establish meaningful partnerships, in line both with your objectives and with ours; and to engage with audiences in authentic ways that highlight brand values while providing valuable, exciting and memorable experiences.

Unique events in beautiful spaces

RIBA's headquarters at 66 Portland Place is a stunning example of Art Deco architecture, conveniently located in London's West End and close to beautiful Regent's Park. The building is one of the capital's most prized events and entertaining venues, with elegant interiors, a unique backdrop of historic architectural drawings, models and photographs, and a delightful garden terrace.

Our flexible spaces can accommodate a range of functions, and our dedicated special events and audio-visual teams can help with all aspects of the co-ordination of your event, whether it's an investors' meeting or a celebratory dinner, a large-scale reception or a special private view.
